Other news...

Right:

Have you seen our newly renovated conservatory? Looking fresh and modern, many of our residents have been enjoying their days relaxing in the sunshine and looking out over the garden.

Other areas being improved include the lounges and, of course, the garden, which now has a gorgeous shaded seating area in the right-hand top corner and a memorial garden and water feature in the left-hand corner. We hope that you enjoy using these areas in the months to come.

One of our many regular trips to New Ash Green. These are hugely popular and provide our residents with a connection to the wider community. Our residents are always coming home with raffle prizes and chocolates. Big thanks must go to Jo and Bex for organising these outings and the volunteers at the community hub for laying on these events and welcoming us with open arms.
