Welcome to our new look newsletter!

We always try to keep you up to date with what's going on through our facebook page and website but realise that sometimes we don't reach you all. We are therefore pleased to launch a new monthly newsletter to keep everyone informed of what we've been doing and what we are looking forward to.

Keeping our home looking its best

Ensuring our home looks its best is an ongoing commitment. Our domestics and maintenance deal with the everyday cleaning and repairs and we have a dedicated gardener who keeps everything shipshape outside. But you may also have noticed some decorating and floor replacement taking place around the home. We want our residents to enjoy the environment they live in.

We will also be adding some new features to the garden for everyone to enjoy this Spring and Summer. As the weather continues to improve please feel free to venture outside and enjoy our lovely garden.

Don't forget family and friends are always welcome to join your relative for lunch in the coffee shop. Just give us 24 hours notice (only £5 per head for two courses).

A BIG thank you to everyone who takes the time to support us, including Christine, Bernadette, Lorraine, Jeff, Frances and Pam to name but a few. Your donations and time are truly appreciated.

A Rocking afternoon with Mark Keeley

In February we enjoyed an afternoon dancing and singing along to Hollies favourite Mark Keeley. Mark has kept us entertained for many years with his renditions of Elvis classics and other rock'n' roll hits. A fabulous afternoon as always!

The Jolly Hollies Resident Choir practice regularly to keep their voices in tune!
